The City of Nelson is looking for someone to fill the position of Senior Climate and Energy Specialist to join the Climate and Energy Team. This Position is responsible for implementing and supporting the City of Nelson's Climate Action Plan Nelson Next. As a Senior Employee for the Climate and Energy Department, you will be instrumental in supporting climate initiatives, programs, and projects to reduce corporate and community greenhouse gas emissions and ensure that Nelson is resilient to climate change impacts, and will support the City's goal of becoming the number one Municipality in Canada based on value for service.

QUALIFIED APPLICANTS WILL:

- Possess a Degree in Sustainability Science, Environmental Science, Environmental Studies or a related field, with a Master's being preferred
- Have a minimum of five years of experience working in energy, climate, or sustainability
- Have knowledge of the City of Nelson's Climate Goals, Aspirations, and local context
- Have knowledge and experience in community engagement
- Have experience managing complex projects and initiatives

COMPENSATION:

\$74,700.00 - \$83,000.00 - Annually

WORK TYPE:

This position is Permanent, Full Time working Monday to Friday, 37.5 hours/week

BENEFITS:

- Paid vacation
- Enrolment in the Municipal Pension Plan
- Health, dental and paramedical benefits
- Optional employee flex schedule
- Optional Employee purchasing programs such as e-bikes, White Water ski passes, etc.
